LARC, LLDA officially ink MOA for Reforestation Projects in Laguna de Bay

A stronger partnership between LARC and Laguna Lake Development Authority (LLDA) was formally established through a MOA signing on July 6, 2021. The collaboration was developed due to a common goal to protect the Laguna De Bay (LDB) and help contribute to the mitigation of climate change.

This sustainable project involves reforestation and rehabilitation activities in the LDB Region within LARC's service area.

Brigada Eskwela in the New Normal

As the pandemic wears on, the activities for Brigada Eskwela were reconfigured to cope up with the challenges posed by the pandemic. LARC continues to extend its support to the schools by participating in the Brigada Eskwela 2021 with the theme "Brigada Eskwela, Bayanihan para sa Paaralan".

LARC handed out alcohol, liquid soaps, paints, and reams of bond paper to help ease the burden of the teachers and students in their preparation for the incoming online classes.

LARC's 3rd year partnership activity with MCME

LARC & Makiling Center for Mountain Ecosystems (MCME) continue to help protect the Makiling Forest Reserve by conducting a tree planting activity on July 12, 2012, under a three-year corporate partnership for Environmental Restoration Program.

Our aim for the planted trees is to help protect our watersheds and reach their full benefits for the environment.

National Nutrition Month 2021

July inspires us to be always mindful of the importance of good nutrition and a healthy eating plan! LARC is one in focusing for continued efforts to address malnutrition in the country which is expected to worsen due to the pandemic.

We are all urged to mind what we eat and how we can take care of our health. Let us all continue to be safe and healthy!

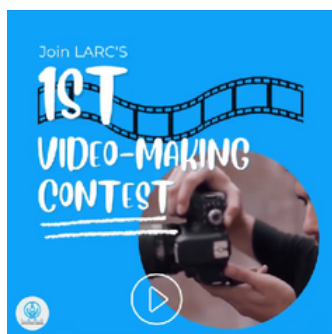

Reforestation Project at Bambang, Los Baños

The first Tree Planting Project of LARC and LLDA for the rehabilitation of Laguna de Bay was conducted at Brgy. Bambang, Los Baños, Laguna on July 23, 2021. More than a hundred potato and bamboo seedlings were planted along the riverbanks of Bambang as part of the watershed restoration.

The success of the project is due to the active cooperation of the officials and staff of Brgy. Bambang headed by Chairperson Arlene Delos Santos.

Maligayang Pista ng Kapaligiran Los Baños!

Ang LARC ay kaisa sa taunang pagdiriwang ng Pista ng Kapaligiran ng ating Natatanging Lungsod ng Agham at Kalikasan--- ang Los Baños. Para sa ika-18 taong selebrasyon noong Setyembre 04, 2021 na may temang, "PAGSUSULONG SA PANGANGALAGA SA KAPALIGIRAN," ang LARC ay nagbigay ng mga Covid Prevention Kits na ipinamahagi ng Pamahalaang Bayan sa ating magiging mga garbage collectors para sa naturang okasyon.

LARC's 6th Anniversary: Video Making Contest

LARC launched its first Video Making Contest on August 13, 2021 to continuously strengthen the company's ties with the community as we celebrate LARC's anniversary.

This will have various relevant themes towards awareness of water issues that will ignite not just the students' creativity but also their environmental concerns. The first-ever theme for LARC's video-making contest is "Importance of Water in Times of Health Crisis."

"This current pandemic remains to fundamentally challenge our economic and healthcare systems, and ultimately, the way we live. It may have tested our operations, but we have not lost sight of our commitment to supply safe and clean water to your homes. This will remain strong and unshaken. And for sure, we will continue to overcome these challenges together."

M.B. Ramos
LARC President
