

LARC transfers Mabacan Distribution Line for improved water supply

LARC employees transferring Mabacan pipe line's source to Lamot 2 Pump Station.

Barangay Mabacan, Calauan residents being supplied by LARC water are now experiencing improved supply and pressure. This is made possible by transferring the water source of distribution lines from Jubileeville Pump Station to Lamot 2 Pump Station, which is essential for proper monitoring of billed volume, production, and non-revenue water. The activity was completed on January 4, 2023. Households in Mabacan and Masaya benefit from the said projects, as the water pressure in both barangays is expected to improve due to the transfer.

LARC relocates mainline along Lopez Avenue

LARC relocated portions of the mainline along Lopez Avenue in Barangay Batong Malake, Los Baños as part of the drainage construction project of Department of Public Works and Highways (DPWH) in the area, which started in February. As of March 31, 2023, 270 meters, or half of the target line, had been relocated out of 510 meters. According to DPWH, the target completion of the project is on April 30, 2023.

LARC employees conduct the tapping activity at Lopez Avenue, Los Baños for the relocation of mainline in coordination with DPWH.

In addition, the water supply of the affected areas may also be disrupted during the activity. Customers are encouraged to check LARC Facebook page from time to time for water interruption announcements.

More reliable water supply for Bay and Tuntungin Putho with facility replacement and pipe upgrade

Lateral line upsizing in Purok 3, Barangay Tuntungin Putho in Los Baños.

Households in parts of Bay and Tuntungin Putho in Los Baños experienced water interruptions from March 29 to March 30 due to electromechanical facility replacement at Jubileeville Pump Station. The replacement was done to improve the water supply and pressure in the areas supplied by the said pump station.

Phase 1 and 2 of the Lateral Line Upsizing Project was also completed in Barangay Tuntungin Putho for a more reliable water availability in the area.

LARC nakikiisa sa Fire Prevention Month

Pakikiisa ng LARC sa isinagawang motorcade ng BFP Los Baños noong ika- 3 ng Marso.

Ang Laguna Water District Aquatech Resources Corporation (LARC) ay nakiisa sa isinagawang motorcade sa pangunguna ng Bureau of Fire Protection – Los Baños (BFP-LB) sa pagsisimula ng Fire Prevention Month na dinaluhan ng iba't ibang ahensya ng Los Baños. Ang Fire Prevention Month ay ipinagdiriwang tuwing Marso at ngayong taon, ito ay may temang “Sa pag-iwas sa sunog, hindi ka nag-iisa.”

Bukod dito, nagbigay suporta ang LARC sa isinagawang Open House at Fun Bike ng BFP-LB, na parte pa rin ng aktibidad ng Fire Prevention Month, sa pamamagitan ng pagbibigay ng pagkain at tubig. Sa aktibong pakikilahok sa komunidad, matutulungan ng komunidad ang BFP sa pagpapaigting ng kampanya sa kamalayan para sa kaligtasan laban sa sunog.

LARC celebrates World Water Day 2023

Customers join LARC WWD 2023 celebration after paying their water bills.

LARC joins the celebration of World Water Day (WWD) on March 22 with the theme "accelerating the change to solve the water and sanitation crisis". World Water Day is an annual celebration to raise awareness and call for action to tackle the water and sanitation crises worldwide.

To celebrate the event, a LARC booth was set up at the LCC Building to encourage customers to like LARC's Facebook Page

and enroll in its free text alert for water supply notices. In turn, customers received freebies and were briefed about the WWD celebration and its theme for 2023.

Mga Paraan ng Pagbabayad ng LARC Bill
